S&P 500 River Width
Minard Map (https://bigthink.com/strange-maps/229-vital-statistics-of-a-deadly-campaign-the-minard-map) one of the famous flow map (https://en.wikipedia.org/wiki/Flow_map) inspired us to create the visualization of **the S&P 500 breadth**. The concept of breadth is to illustrate the trend up/down of the US stock market. As an interesting match, our **River Width** plot perfectly illustrate such idea: wider = up (make profit), narrower = down (seek target).
